FIRST SESSION

THE BOJOLA, QUIGGIN, MABBOTT V, ROSENBACH IV COLLECTIONS

TUESDAY, JULY 7th, 1970 — 7:00 P. M.–9:30 P. M.

Hans M. F. Schulman Gallery
25 West 45th Street, Room 1200
New York, N. Y. 10036

Lots 1–450. Gold and Ancients, incl. JUDAICA.

FOREWORD

The names on our cover are familiar to most collectors. The lots of Bojola, the cordial collector from Firenze, are good companions to those of the "odd and curious expert" Mrs. Quiggin. She wrote the only standard work for primitive money, and many items she used for her book are now entered in this auction. The consignments of Professor Mabbott's Collection continue to adorn our sales, and the Rosenbach lots complete the sale of his extensive collection.
